INDEX

I. Geography and Meteorology

	Page
1. Latitude and height of some mountains in Chile	1
2. Latitude and height of capitals of provinces and departments	1
3. Hydrography	2
4. Meteorology	2
5. Yearly rain fall in millimeters during the last 50 years	3

II. Territory and Population

1. Area and population by provinces and departments	4
2. Population of provinces and departments from 1865 to 1917	5
3. Population of the principal towns of Chile from 1865 to 1917	7
4. Statistics of distribution of the population in the towns according to their class, from 1865 to 1907 inclusive	7
5. Urban and rural population in the last 3 censuses, by provinces	8
6. Nationality with specification of sex, by provinces, according to the census of 1907	8
7. Birthplaces of the foreigners resident in Chile, in the census of 1851 to 1907	9
8. Population, ages and sexes, according to the census of 1907	9

III. Demography

1. Vital statistics, by provinces, in 1917	10
2. Vital statistics, by provinces. Average of the period 1913-17	10
3. Vital statistics from 1850 to 1917 inclusive	11
4. Marriages recorded between 1913 and 1917, by months	12
5. Marriages recorded between 1913 and 1917, according to civil condition of contracting parties	12
6. Marriages recorded in the years 1913-1917, classified according to the nationality of the contracting parties	12
7. Signing of the marriage register, by the contracting parties from 1913 to 1917	12
8. Number of legitimate and illegitimate births recorded in 1917, by sex and provinces	13
9. Legitimacy of the births from 1848 to 1917, and rate per thousand	13
10. Deaths, by provinces, in 1917	14
11. Deaths by sex during the last 20 years	14
12. Principal causes of death in 1916, by ages	15
13. Principal causes of death in the last 8 years	16
14. Principal causes of death of children under one year, during the last eight years	17

IV. Hospital's Demography

1. Classification of persons discharged and deceased on hospitals in 1916	18
---	----

V. Government and Administration

	Page
1. Administrative division by provinces	19
2. Electorate by provinces	19
3. Parliamentary Representation, by provinces	20
4. Laws enacted in the last 25 Years by Departments	20
5. Movement of the State departments offices and of the Administrative Personal in 1917	21
6. Superannuations and Retirements of Administrative Personal in 1917	21
7. Licences granted to the Administrative Personal in 1917	21

VI. Diplomatic and Consular representation

1. Diplomatic and Consular representation from Chile in foreign Countries and resident in Chile	22
---	----

VII. Worship and Clergy

1. Ecclesiastic Personal and Religious Establishments in 1917	22
---	----

VIII. Posts

1. Offices and employees of the service of Post Offices in the years 1913-1917	23
2. Revenue of the service of post offices in the years 1913-1917	23
3. Expenditure of the service of Post Offices in the years 1913-1917	23
4. Total movement of the mail despatched in the years 1913-1917	24
5. Movement by provinces, of the mail despatched from 1913-1917	24
6. Classification of the mail with postage paid despatched to the interior of the country during the years 1913-1917	24
7. Classification of paid mail despatched to foreign countries in the years 1913-1917	25
8. Classification of paid mail despatched to the interior and foreign countries in the years 1913-1917	25
9. Classification of free mail despatched to the interior and foreign countries in the years 1913-1917	25
10. Movement of articles of declared value in the years 1913-1917	25
11. International parcels during the years 1913-1917	26
12. Postal money orders in the years 1913-1917	26
13. Postal money orders, by provinces in 1917	27

IX. Telegraphs and telephones

1. Personnel, offices and material of the telegraph movement in the years 1913-1917	
2. Economical movement of the Government telegraphs in the years 1913-1917	

	Page		Page
3.—Telegrams despatched and received, and receipts of each telegraphic district of the Government telegraphs in 1917.....	27	3.—Law-suits commenced in the Courts of Appeal during the year 1915.....	40
4.—Detail of telegrams despatched by the Government telegraphs in the years 1913-1917.....	28	4.—Law-suits terminated at the Courts of Appeal during the year 1918.....	41
5.—Movement of the telegraphs of Government Railways in the years 1913-1917.....	28	5.—Law-suits commenced at the Courts of Appeal, from 1915 to 1918.....	41
6.—Movement of private telegraphs in the years 1913-1917.....	28	6.—Law-suits terminated in the Courts of Appeal, from 1915 to 1918.....	41
7.—Movement of telephone companies in the years 1913-1917.....	28	7.—Law-suits commenced and sentenced by the Supreme Court from 1913 to 1917.....	42
		8.—Detail of the Cassation Recourses sentenced by the Supreme Court 1913 to 1917.....	42
X.—Public Works		XIV.—Police	
1. Sums invested in Public Works in the years 1913-1917, reduced to current money....	29	1.—Personnel distribution of the Security Police force in 1917, by provinces.....	42
2.—Sums invested in Public Works in the year 1917, by provinces.....	29	2.—Offenders apprehended by the Police in 1917, by provinces.....	43
3.—Length and cost of the railways finished in the years 1913-1917.....	29	3.—Personnel of the Carabiniers Regiments and distribution by squadrons in 1917.....	43
4.—Detail of the Budget and cost the railways finished in the years 1913-1917.....	30	4.—Offenders apprehended by the Carabinier Regiments in the year 1917.....	43
5.—Detail of the Budget and cost of the bridges finished by contract, in the years 1913-1917.....	30		
6.—Works of new or rebuilt bridges and repaired bridges finished by administration in the years 1913-1917.....	30	XV.—Crime	
7.—Roads constructed and repaired by administration in the years 1913-1917.....	30	1.—Statistics of the jail establishments 1913 to 1917.....	44
8.—Detail of the Budget and cost of the maritime and fluvial works finished by contract in the period 1913-1917.....	31	2.—Sex, age and instruction of the offenders entered into the Reformatories from 1913-1917.....	44
9.—Detail of the Budget and Price of the works of drinkable water and salubrity finished by contract in the period 1913-1917.....	31	3.—Offenses committed by those entered in the Reformatories from 1913-1917.....	44
10.—Maritime and fluvial works, and of drinkable water and salubrity finished by administration in the period 1913-1917.....	31	4.—Sex, age and instruction of the offenders entered into the jails and correctional Houses for women 1913-1917.....	44
11.—Detail of the buildings finished by contract or administration in the period 1913-1917.....	31	5.—Classification by provinces of the offenders entered into the jails and Correctional Houses for women 1913-1917.....	45
12.—Detail of the Harbour works in construction in 1917.....	32	6.—Motives of entrance into the jails and Correctional Houses for women 1913-1917.....	45
		7.—Egresses from the Jails and Correctional Houses for women 1913-1917.....	46
XI.—Army and Navy		8.—Statistics of the Jails and Correctional Houses on December 31 st of each year.....	46
1.—Army personnel in 1917.....	32	9.—Prisons Statistics 1913-1917.....	46
2.—Patients movement in the Army personnel in 1917, by Divisions.....	33	10.—Sex, age and instruction of the offenders entered into the Prisons 1913-1917.....	46
3.—Movement of Army invalides during the years 1913-1917.....	33	11.—Offences committed by those entered into the Prisons 1913-1917.....	47
4.—Detail movement of Army invalides in 1917.....	33	12.—Egresses from the Prisons 1913-1917.....	47
5.—Distribution of the Navy personnel in 1917.....	34	13.—Statistics of the Penal Prisons 1913-1917.....	47
6.—Detail of the War Body of Officers.....	34	14.—Sex, age and instruction of the offenders entered into the Penal Prisons 1913-1917.....	48
7.—Navy conscription.—Movement in the years 1913-1917.....	34	15.—Offences committed by those entered into the Penal Prisons 1913-1917.....	48
8.—Classification of the Navy vessels in 1917.....	34	16.—Offenders egresses from the Penal Prisons 1913-1917.....	48
		17.—Sex, age and instruction of the offenders entered into all Penal Establishments 1913-1917.....	48
XII.—Beneficence			
1. Hospitals, personnel and equipment in 1917, by provinces.....	35	XVI.—Instruction	
2.—Statistics of hospitals and average expenses per patient, in 1917, by provinces.....	35	1.—Population of Chile by provinces, classified according to the instruction and sex (Census of 1907).....	49
3.—Hospitals revenues and expenses in 1917, by provinces.....	36	2.—Scholar population aged from 6 to 14 years, by provinces, classified according to the instruction and sex (Census of 1907).....	49
4.—Statistics of hospitals from 1913-1916.....	36	3.—Scholar population estimated from 1913 up to 1917.....	50
5.—Hospitals revenues and expenses from 1913 to 1916.....	36	4.—Scholar population estimated by provinces in 1917.....	50
6.—Statistics of the Republic Lazarets from 1913 to 1916.....	37	5.—Number of pupils who received instruction from 1913 up to 1917.....	50
7.—General Statistics of the public mad-houses from 1913 to 1916.....	37	6.—Number of pupils who received instruction in the Public Establishments from 1893 up to 1917.....	51
8.—Classification of admitted in the mad-houses from 1913 to 1916.....	37	7.—Number of instruction establishments in 1917 by provinces.....	51
9.—Statistics of the Work Houses from 1913 to 1916.....	37	8.—Number of instruction establishments from 1893 up to 1917.....	52
10.—Statistics of the Asylums from 1913 to 1916.....	38	9.—Number of pupils who received primary instruction in 1917, by provinces.....	52
11.—Asylums revenues and expenses from 1913 to 1916.....	38	10.—Number of pupils who received primary instruction from 1893 up to 1917.....	52
XIII.—Justice			
1.—Detail of the Republic first instance Judges in 1917.....	39		
2.—Detail of the first instance tribunals from 1913 to 1917.....	40		

	Page		Page
11.—Statistics and expenses of government elementary schools in 1917 by provinces.....	53	17.—Conditions of external loans contracted from 1822.....	72
12.—Statistics and expenses of government elementary schools from 1893 up to 1917.....	54	18.—Average London quotation of the external debt bonds from 1886 up to 1916.....	72
13.—Statistics and fiscal expenses of elementary schools subventioned by the government from 1908 up to 1917.....	54	19.—Annual Balance of the Internal Debt, in currency from 1857 up to 1917.....	73

- 3.—Failures from 1911-1917..... 129

XXXII. — Consumption

- 1.—Consumption of some articles of food from 1913-1917..... 130
- 2.—Consumption of meat in 1917 by provinces... 130
- 3.—Liquor consumption from 1907-1917..... 130

XXXIII. — Foreign Commerce

- 1.—Value in 18d. gold of Merchandise imported from 1912-1917..... 131
- 2.—Value in 18d. gold of Merchandise exported from 1912-1917..... 132
- 3.—Staple products of agriculture exported from 1915-1917..... 133
- 4.—Products of mining exported from 1915-1917... 133
- 5.—Quantities exported of staple products of agriculture and mining from 1847-1917..... 135
- 6.—Export of staple products of agriculture and mining from 1847 up to 1917 (Values in \$ 18 d. gold)..... 136
- 7.—Values of merchandise imported from 1910 up to 1917, classified by countries..... 137
- 8.—Values of merchandise imported from 1910 1916, classified by ports..... 137
- 9.—Values of merchandise exported from 1910 up to 1917, classified by countries of destination..... 138

- 10.—Value of merchandise exported from 1910 up to 1917 classified by ports..... 138

XXXIV. — Merchant Marine and Shipping

- 1.—National merchant marine and shipping from 1848-1917..... 139
- 2.—Vessels entered at and cleared from seaports in 1917..... 140
- 3.—Vessels entered at and cleared from seaports in 1917, classified by flags..... 141
- 4.—Number and tonnage of vessels shipwrecked in Chile from 1887-1916..... 141
- 5.—Movement of Merchandise in Chilean ports in 1916 and 1917..... 142
- 6.—Passenger movement in Chilean ports in 1917 142

XXXV. — Railroads

- 1.—Length of railroad lines, from 1885-1917..... 143
- 2.—Length of railroads, classified by its gauge, from 1913-1917..... 143
- 3.—Length of railroads by provinces from 1913-1917 143
- 4.—Railroad locomotives and cars, from 1909-1917 144
- 5.—Railroads capital, in \$ 18d. gold, from 1909-1917 144
- 6.—Traffic of railroads from 1909-1917..... 144
- 7.—Finances of railroads from 1909-1917..... 144
- 8.—Leading commodities transported by railroads in 1917..... 145
- 9.—Employees of railroads from 1909-1917..... 145
- 10.—Number of persons, killed and injured in railroad accidents from 1909-1917..... 145
- 11.—Tramway lines in operation in 1917 by provinces 145

XXXVI. — Public roads, navigable rivers and vehicles

- 1.—Length of public roads, navigable rivers and lakes by provinces..... 146
- 2.—Number of vehicles in 1917 by provinces..... 146

(1) They enter firstly into the jails in order to be prosecuted.

(2) The number of offenders entered is greater than those of the classified ones because many offenders are translated from one establishment to another and are only classified in the first one.

5.—Classification by provinces of the offenders entered into the jails and Correctional Houses for Women 1913-1917
